SUBJECT: 1981 SPECIAL CITY ALLOTMENT PROGRAM

Dear Ms. Hulse:

I am pleased to inform you that on November 25, 1980 the Transportation Commission officially approved your proposed project on 10th Street and Galveston Street for construction under the Special City Allotment Program (ORS 366.805).

Based upon a reconnaissance investigation, we estimate the project will cost roughly \$44,500; the SCA share is \$25,000, and the City's share is \$19,500.

We will prepare a Special City Allotment Agreement and submit it, through our Region Office in LaGrande, for your City Council to consider and approve. Until then, no action on your part is necessary.

If you have any questions, feel free to contact this office, 206 Transportation Building, Salem, Oregon 97310, Phone 378-6563 or:
